OUR MISSION: YOUR LEGAL QUESTIONS ANSWERED

Legal Hotline

1,500,000+ is a BIG number. That's how many member questions our attorneys have answered about real estate law and brokerage practice. Get free one-on-one legal advice from our attorneys by calling **(213) 739-8282**.

Legal Tools

Short, shareable resources to help you understand how the law impacts your business or your transaction. Summarized quick guides, one-page flyers, PowerPoint slides and videos — all here for brokers, agents and consumers.

Ombudsman Hotline

C.A.R. Ombudsmen are REALTORS® who volunteer their time to answer non-legal questions and resolve non-legal disputes. Both C.A.R. members and members of the public can contact the Ombudsman Hotline if they would like to be assigned an ombudsman to assist them. An ombudsman is not an attorney and cannot give legal advice or answer legal questions, but they can help by acting as a go-between for callers who are having problems with a C.A.R. member. Ombudsmen can often resolve these problems before the caller finds it necessary to file a formal complaint or initiate a lawsuit against the member.

Legal Live Webinars

Wish you could catch up on California real estate law without having to read even more documents? Relax and watch a video as C.A.R.'s Legal Live Webinars bring you up to date on the hottest topics in real estate law.

One of the C.A.R. member benefits I value is the Legal Hotline. As an independent broker, I don't have an in-house legal staff. I often face agents' files with complex issues. Having the ability to run the situation by an attorney gives me the confidence I often need to guide my agents towards a solution. The hotline is easy to use and get a hold of. The attorneys are patient and well versed in the day-to-day issues agents face. Even if I have a strong answer to the issue I am facing, I will often call to confirm my response. They offer straightforward guidance in terms that are easy to understand. I am so very grateful to have this resource!
