The Leadership Academy is focused on developing participants' institutional, industry, and association knowledge of all levels of organized real estate. This comprehensive program will allow YOU, our future leaders, to experience multiple facets of leadership and shape your leadership style along the way. Leadership Academy participants will learn the history, structure, and internal workings of the Fresno Association of REALTORS®, California Association of REALTORS® and the National Association of REALTORS®. You'll also learn a great deal about our critical advocacy efforts and how REALTORS® interact with local, state, and federal governments, community organizations, and stakeholder partners to promote sound public policies that protect private property rights and ensure that the American Dream of home ownership remains attainable.

Requirements: Must be a Fresno REALTOR® member in good standing, are committing to attend all sessions listed below, and it's highly recommended that you meet the voluntary RAF contribution level of $148, *The True Cost of Doing Business*, **so you are able to participate in all aspects of the program.**
